

“Little Red Riding Hood” – A Journey Through Stories, Laughter, and Language Learning

On Tuesday, January 13, 2026, our 5e and 6e students were treated to a delightful theatrical experience: “Little Red Riding Hood”, a musical comedy performed entirely in English by the talented Compagnie Oz. Building on last year’s success with “Snow White Goes to Hollywood”, expectations ran high, and once again, the performance exceeded them.

The play transported us to a bustling American train station from the era of steam engines, where the sounds of whistling locomotives and a busy crowd set the stage for adventure. Amid the commotion, two travelers—reminiscent of Buster Keaton, Charlie Chaplin, and Stan Laurel—tried in vain to catch announcements over the loudspeakers. Missing their train, and faced with a long wait, they began to share familiar English rhymes and tales, such as Humpty Dumpty, and Baa Baa Black Sheep. These stories, performed with rhythm, song, and dance, brought classic English nursery rhymes vividly to life.

The audience was treated to a lively medley of fables, songs, and jokes, all set to energetic jazz music. The show, lasting forty-five minutes, was followed by an interactive Q&A session, where they could ask questions and express their thoughts in English. This unique opportunity allowed them to use their language skills in an authentic setting, helping to boost their confidence and enthusiasm for learning English.

The “Little Red Riding Hood” production was not only a memorable theatrical event but also a valuable educational experience, blending entertainment and language learning in the most engaging way. We look forward to welcoming Compagnie Oz back for more inspiring performances in the future!

This event was made possible thanks to the generous support of the FSE and ALFA.
